

## **SCHEDULE & TOPICS:**

8:30 AM - 3:30 PM  
(EACH DAY)

*The training will focus on specific skills needed to work successfully with students who are Deafblind.*

*It is designed to give participants the knowledge of the sensory differences of Deafblindness, what that means for communication and education, and how best to support students who experience these sensory differences across the day.*

### **TOPICS INCLUDE:**

- ✓ **Box of Deafblindness**
- ✓ **Availability for Learning**
- ✓ **Assistive Technology - High & Low Tech**
- ✓ **Accessing Communication / Communication Modes**
- ✓ **Concept Development**
- ✓ **Completing the Classroom Observation Instrument for the Deafblind**
