

The SESA office will be closed June 10  
to July 15, 2019  
Enjoy a wonderful summer!

## Letter from the Editor

WooHoo! We have made it (or at least, we are very close!) to the end of another school year. It has been great for everyone at SESA to be able to work with so many teachers, staff, parents, and students around Alaska. There were challenges and successes for everyone, but in the end, hopefully everyone learned something. This summer, take time to relax, enjoy your time off, and recharge for another year. To help capture our year at SESA, this month our staff have all answered the following questions:

1. What was the best part of this school year for you?
2. If you wrote a book about this year, what would you title it?
3. What is something new that you learned from a co-worker or student this year?
4. What 3 words would you use to describe this school year?
5. What is/was your biggest challenge this year?
6. What are you most looking forward to doing this summer?

Click on our pictures below to see the answers! Enjoy!
