

## Riding the School Bus

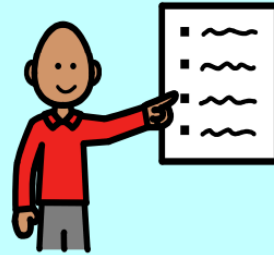

I ride the bus to school in the morning.

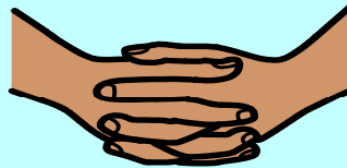

I ride the bus home in the afternoon.

The bus driver makes the rules on the bus.

Following the rules keeps everybody safe.

Sometimes it is loud on the bus.

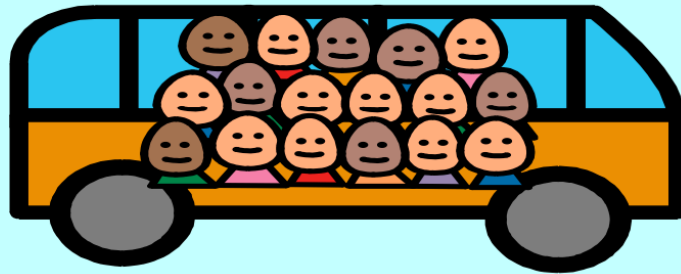

But that's ok, I can ask my friends to be quiet.  
Or, I can wear my headphones.

quiet please

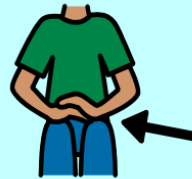

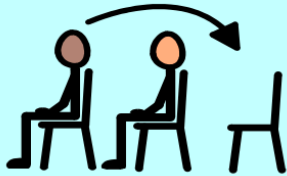

Sometimes it is crowded on the bus.

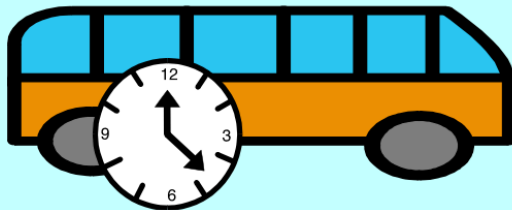

But that's ok, I can ask my friend to move over.  
Or I can ask them to keep their hands to themselves.

move over please

Sometimes I am on the bus for a long time.

But that's ok, I can play with my game.  
Or I can read my book.

Everyone is so proud of me when I ride the bus.

yea!

yea!

I love riding the bus!
